OPTICAL DISPENSERS AUSTRALIA MEMBER BENEFITS

Optical Dispensers Australia (ODA) is Australia's peak support body for the optical dispensing profession.

The ODA community is made up of real everyday people who work as or alongside optical dispensers.

Joining ODA is a decision that will gain you access to a range of exclusive optical dispensing benefits specifically designed to support optical industry professionals. We are 100% committed to helping you thrive on a successful career path by providing you with a range of essential services and resources.

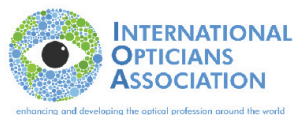

We will keep you informed of everything you need to know as an optical dispensing professional and help you to enhance your knowledge, skills and professionalism.

Enjoy great membership benefits including access to Australia's newest and most comprehensive CPD program for optical dispensers. This along with an array of additional benefits, the networking opportunities and the prospect of career enhancement makes ODA desirable to both Optical Dispensers and Optical Affiliated Employees.
