OPTICAL DISPENSERS AUSTRALIA MEMBER BENEFITS

Optical Dispensers Australia (ODA) is Australia's peak support body for the optical dispensing profession. The ODA community consists of real everyday people like you who work as or alongside optical dispensers and dispensing opticians throughout Australia and New Zealand.

Whether you're just starting out or have years of experience, ODA is here to support your professional journey. What connects our members is a common drive to grow, learn, and excel in a career that demands a unique blend of skills.

At ODA, we are dedicated to empowering our members through knowledge sharing, professional development and meaningful networking opportunities. Joining ODA is a decision that will gain you access to a range of exclusive benefits tailored specifically to the needs of the optical dispensing community. We are 100% committed to helping you thrive on a successful career path by providing you with a range of essential services and resources.

We are proud to offer Australia's most comprehensive CPD (Continuing Professional Development) program for optical dispensing, designed to keep you at the forefront of industry standards and best practices.

Whether you're an optical dispenser, dispensing optician, optical assistant or an optical affiliated employee - ODA offers the tools, support, and community to help you succeed.
